

WBG

WOZANI BERG GASOLINE

WHO ARE WE?

The WBG Holdings Group, is an integrated petroleum product sales and logistics provider. We offer Re-fuelling, Fuel management, Storage and logistics solutions nationally.

- ▶ Staff compliment: **206**
- ▶ Fleet size: **66** (56 Fuel, 10 Gas)
- ▶ Own Bulk Storage Warehouses: **7**
- ▶ Area specific JV partnerships: **4**
- ▶ Supplier Development Partner of a Level 1 **100%** HDI Petroleum Wholesale
- ▶ We have experienced sales growth of 53% in the 2016, 64% in 2017 and 66% in 2018 by being **customer focused**.
- ▶ We have been in business for over **24 years** and since inception have had a strategic partnership with Engen

WHY WBG?

- ▶ We carry a national footprint with storage and distribution capabilities. Not only do we service the needs of South African clients, we also operate cross -border to Maputo, Zimbabwe and Zambia.
- ▶ We are experienced in supplying various industries including Agricultural, Transport, and Retail. No matter the volume of delivery required, or the challenge a location can present, our specialized equipment is capable of meeting any of our customers unique requirements.
- ▶ We have multiple product offerings other than fuel. We have access to all grades of fuels and lubricants throughout the RSA via most oil companies directly. We are capable of distributing fuel on a national basis via our sales and distribution network.
- ▶ We have secured multiple supply contracts directly with most major oil companies for both coastal and inland regions.
- ▶ We have access to storage nationally.
- ▶ We pride ourselves on our agility and flexibility.

WHERE WE COME FROM?

Wozani Berg Gasoline (Pty) Ltd Was Established When Berg Gasoline (Pty) Ltd (A Sales And Distribution Company) Was Purchased And Initially Run In A Small Town, Creighton.

At the time, Berg Gasoline (Pty) Ltd was contracted to Engen Limited to distribute petroleum products in the Southern KwaZulu-Natal region.

BBBEE

WOZANI BERG GASOLINE (PTY) LTD IS CURRENTLY A LEVEL 3 BBBEE CONTRIBUTOR AND SUBSCRIBES TO PREFERENTIAL PROCUREMENT.

As a 55.45% black owned designated group supplier we are transparent with all of South Africa's codes of good practice.

VISION

To remain a responsible energy
& logistics provider to
Southern Africa and the lower
